

Lipstick

Vybz Kartel

Mi put mi cocky pon you lip
You say it come in like lipstick...
You say it come in like lipstick...

Bend down
Bet you say you wet, like sponge
Yeah, mi love it when you tell me say, you cum
Can you split like an atom?
Condom, mek the sex get numb
Can you do the aids test and done?
Then a weh you 'fraid of?, nuh bother run
You a my moon, me a your sun
So lay down, make we have some fun

Mi love it when you keep mi company
Love it, when you shake your rump fi mi
Special delivery come fi me
My girl, long out you tongue fi mi

Mi put mi cocky pon you lip
You say it come in like lipstick
You say it come in like lipstick
Long out you tongue fi mi
Mi put mi cocky pon you lip
You say it come in like lipstick
You say it come in like lipstick

Kneel down
Come ya fi the big tree trunk
Then I bet you say, you haffi get a son
But if you waan daughter fi come
Lay down, pon the concrete ground
Gyal you body look real young
Then a weh you just do mi, wid you tongue?
You badder than a million gun
Magnum
Then we have some fun

Mi love it when you keep mi company
Love it, when you shake your rump fi mi
Special delivery come fi me
My girl, long out you tongue fi mi

Pon you lip (lipstick)
Pon you lip (lipstick)
Pon you lip
Mi love it when you keep mi company (pon you lip)
Special delivery come fi me
My girl, long out you tongue fi mi
