Sometimes in a mi dream

A dem alone fi mek it, watch di ginal dem now
Nothing nuffi gwan fi mi but "Jah know"
Mi still a win, dem cya stop it like a [?]
All when mi nah play football God deh pon mi side
Anuh every kill [?] some a crocodile
In street yuh affi slippery like a bottle a baby oil
Now you see me, now you don't
Rice, water, wash yuh eye

Mankind have no love
And dem will stoop so low
Fi stop yuh food, oh no
Nav nothing fi prove, no no
So mi just gwan wul out
Mi just deya a wul out
A watch dem a bow out
