

Not Ok

Vybz Kartel

Do you think of me sometimes?
Are you wondering if I'm okay?
No, I'm not okay
No, I'm not okay
No, I'm not okay

Lost in space sometimes, most days
I miss everything about you

Do you think of me?
Do you think of me?
Do you think of me sometimes?
Do you think of me sometimes?
Are you wondering if I'm okay
No, I'm not okay
No, I'm not okay
No, I'm not okay

Is this even happening?
Can't believe my mind, no
Tell me this is just a dream
Don't destroy my life please

Do you think of me sometimes?
Are you wondering if I'm okay?
No, I'm not okay
No, I'm not okay
No, I'm not okay
