

Dinesty the system waan hijack wi  
Dem waan get out ghetto youth  
Dem no waan wi survive  
But mi member what mi mama seh  
Never stop try  
Member what mi mama seh  
The limit is the sky

Realize ghetto child  
One day wi haffi make it  
All you see dem a fight  
The world is ours fi take it  
Nuff time wi go a wi bed at night  
Hungry and so frustrated  
Dem waan mi fi give up the fight  
But mi member wah mi mama seh

Da world yah no level, rich people happy while the poor miserab  
le  
But you fi know ehich part you a choose one road fi Jehovah, on  
e road fi the Devil  
Mi father work 24-7  
Fi pay off the mortgage it could a don't fast  
But the pastor a take mi granny money and tell are no worry bou  
t work him a bring are go heaven  
Don't believe

Achieve success  
As a ghetto youth you fi aim fi the best  
Society no like youth wah a teach  
Ghetto youth fi be wise dem wi put you to rest  
Dem done Martin Luta, dem done Malcolm X  
The port cyan fit fi wise up the us  
So black liberation is a slow process  
But Selassie philosophy mi a progress
