

So What

Vybz Kartel

Me love everything bou' you
Gyal, me love everything abou' you
Gyal, me love everything abou' you
Me love every likkle thing abou' you
Me love every likkle thing

Me love everything bou' you
Every likkle thing from you walk and you talk
To your smile and your laugh
And your soul and your heart
And your hole and your ass
Weh me squeeze when me pass
When you dunce when you smart
How you look when you happy
How you look when you cross
When your hair inna set-ter, face inna mask
How you smoke, how you drink
How you eat, how you fast
Weh you do, with your hand when you seh
"World Boss"

Bubble like soda
Bwoy seh your pussy big, me no know 'bout that
If a bwoy hood small, you fi run him weh
Bou' seh him fuck you already, so what?
Me will clothes you, feed you
Mind you, grind you
You love sing? Me sign you
Sing now
Nah nah naah naah naah
Nana nana naah nahh naah

Me love everything bou' you
Baby, you great
When you cook, when you bake
When you sleep, when you wake
When you sweep, when you rake
When you still, when you shake
When you move, when you wait
When you love, when you hate
When you speed, when you break
When you earth, when you quake
When you search up the phone and text back a gyal
And put back the phone like everything great
Then me wake with a knife a me throat, me seh "wait"

Bubble like soda
Bwoy seh your pussy big, me no know 'bout that
If a bwoy hood small, you fi run him weh
Bou' seh him fuck you already, so what?
Me will clothes you, feed you
Mind you, grind you
You love sing? Me sign you
Sing now
Nah nah naah naah naah
Nana nana naah nahh naah

Me cyaan find nothin' wrong with you
Everything so comfortable
And I'm loving every inch of you
You're latitude to my longitude

Me cyaan find nothin' wrong with you
Everything so comfortable
And I'm loving every inch of you
You're latitude to my longitude
