

# Without Money

Vybz Kartel

And if my life could a rewind  
And if my life could a rewind  
Without money, no bwoy cyaa buy yo company  
Nooo, without money, you alone confess yo love to mi

Yea without money, no bwoy cyaa buy yo company  
Without money, you alone

Mi couldn't buy cornflakes  
So weh mi do fry fritters  
Member when you have a one slippers  
Nothing nah gwaan but yo still never cut like sizzors  
Soul care givers, delivers  
But any day me rich mi a tell yo  
Mi nah left you fi goal diggers  
A could a million browning  
Million diggers  
You Haffi sit down in a the beemers

Mi get a dream last night  
Seh wi go be large than life  
You haffi get compensation fi the war and strive  
Yow a joke mi a meck, a no money everything love is all I bring  
And everybody who is in love  
Look in a yo love as I guy sing

And if my life could a rewind  
You haffi deh, deh, under the three time  
Like a piece a tread mi feel fine  
When you deh round mi, yo three time  
And if mi gone round a the studio  
Just rate like greengage in the mean time  
Mi sharp like knife yo use fi peal pine  
But mi nah leave yo I swear mi life line

Mi get a dream last night  
Seh wi go be large than life  
You haffi get compensation fi the war and strive  
Yow a joke mi a meck, a no money everything love is all I bring  
And everybody who is in love  
Look in a yo love as I guy sing
