Mephisto Waltz

I ride all alone and can't see The road to nowhere anymore And shadows whispers are calling me To forbidden forests by the shore And there she fell, deep in the night One breath away from heaven's light And she said - don't cry for me, I'm leaving you

The wind cries her name in the breeze But I can't hold her anymore Some fallen angel had come to me And fell to heavy on my soul And stole from me the love that I heard Lords of time say never die And said - don't cry for me, cause I'll be

Riding the wind forever free High in the wind forever free I'll ride the wind forever free High in the wind forever free Forever free

Forever in my hearts a fire, a fire burning I wake up nights and hear her crying, crying my name

Riding the wind forever free High in the wind forever free I ride the wind forever free High in the wind forever free Forever free
