

## The Moment

W.E.T.

The moment you left me  
I suffered the whole night long  
'Cause that's where I go wrong  
'Cause that's where you go wrong  
When I've got a problem  
Say, I'll talk to the whole wide world  
Yes I will, yes I will  
I'm gonna love you  
I'm gonna squeeze you  
Say, I'm gonna do all the things  
That I forgot to do  
Thinking about my savior with a smile  
Oh she can talk about chasing  
The heart in me away, tell me, tell me  
Is that where she goes wrong  
I'm gonna love you  
I'm gonna squeeze you  
Say, I'm gonna do all the things

That I forgot to do  
I'm gonna love you  
I'm gonna squeeze you  
Say, I'm gonna do all the things  
That I forgot to do  
Now that I've made the right resolution, baby  
And I think I've found the right solution  
Heaven knows where you go  
Tell me, tell me, tell me, yeah  
[Incomprehensible]  
Say, the moment you left me  
And I suffered the whole night long, yes I did  
'Cause that's where I go wrong  
I go wrong, I go wrong, I go wrong  
Feel again  
Yes I will, yes I will  
[Incomprehensible]
