Fade

WAAX

Because you did it once doesn't make you better
Because we fall apart but we're in a knot
I was misplaced, I was derailed
Then I got lost and you moved on

I'm not a loose end
Oh my dear oh my dear
You're just imitating
Oh my dear oh my dear

Because you say it once doesn't make it clearer
But you can talk a lot so why stop now?
I was misplaced, I try forgetting
Then I got lost and you found God

I'm not a loose end
Oh my dear oh my dear
You're just imitating
Oh my dear oh my dear

Try not to fade out
Try not to fade out
Try not to fade out
Try not to fade out
Fade out fade out
Fade out fade out

I'm not a loose end
Oh my dear oh my dear
You're just imitating
Oh my dear oh my dear
