

I Am

WAAX

Asking for answers
Praying for peace
I don't remember what you said to me
I got a few things on
And I'll be right up
I wanna cure your chords
Not help myself

I'm only human
Why can't you understand?
You put the pressure on
And now I'm falling

Flat out here without you
Nowhere left to land
And I forgot the person that I
Am, am, am, yeah

No more computer
And no more TV
I get neurotic but don't mean to be
I didn't cut you off
You phased me out
And that's fair enough
I'm breaking down

I'm only human
Why can't you understand?
You put the pressure on
And now I'm falling

Flat out here without you
Nowhere left to land
And I forgot the person that I
Ammmmmm

Flat out here without you
The shit has hit the fan
And I forgot the person that I
Am, am, am, yeah

Ooh ooh ooh
Ooh ooh ooh
I am, I am
I am
Ooh ooh ooh
I am

And now I'm falling
Flat out here without you
(I am)
Nowhere left to land
(I am)
And I forgot the person that I
(I am)
Ammmmmm
Flat out here without you

(I am)
The shit has hit the fan
(I am)
And I forgot the person that I
(I am)
Am, am, am, am, am, am, am
Yeah-eah
