

## Down In Flames

Waco Jesus

They saturate  
And hype this world with  
Over-rated bullshit  
i just can't take it... no more

I don't get depressed  
I have no regrets  
I just say fuck it... cause I'm

Going down... going down in flames  
Rethink? Reconsider? No fucking way  
Going down... going down in flames  
Rethink? Reconsider? No fucking way

I don't need  
No ones permission  
Or your forgiveness  
Here's my confession

I'm arrogant  
Fucking belligerant  
I have more self respect  
Than to go out like a bitch

Crash and burn  
No return  
I'm going down  
At the fucking speed of sound

I represent  
Everything  
That you fucking hate  
In a human being

I'm... going... down... in flames  
I'm... going... down... in flames
