

# Hyper Dominant

Waco Jesus

She's hyper dominant  
Highly deviant  
Waiting to get off

She'll intoxicate  
Then dominate  
Sexuals assault

No inner conflict  
Nothing intimate  
Fucked again and again

A fucked up arsenal  
Of warped erotica  
Total discipline

Hyperdominant  
Hyperdominant  
Hyperdominant  
Fuck her brains out

In pain restrained  
Mentally drained  
The only way you'll cum

She chokes herself out  
Taking intoxicants  
The way she likes to fuck

Return to Sodom  
And Gomorraah  
Unrepentant approach

Fuck permission  
Fuck forgiveness  
Stigmas without hope

Artery compression  
Oxygen depletion  
No persuasion no questions  
the answer is always yes  
Dominance indulgence  
All access to excess

She'll put your mind in a blender  
Turn you into a beggar  
Violent, erotic  
Phantasmagoric

Choke me  
fuck me spit on me  
Slap me  
I'll tell you when to cum on me  
A slave  
Concept  
Primal trauma  
Barbaric

A slave  
Concept  
Frantic torment you can't grasp
