

# Instant Gratification

Waco Jesus

I want it all or fucking nothing at all  
I don't think that's a lot to ask for  
I've got a hand on with a pulse you're gonna feel it  
in every fucking hole  
Don't waste your time chasing short bursts of high  
On the world wide waste of time  
You're gonna sin so sin like you mean it  
You're going once around this fucking ride

Instant gratification  
The only fucking cure for terminal boredom  
Paralysis of the mind  
In a millisecond  
An appetite for consumption

My desiring  
Of desires  
Overload, erode  
Sensory wires  
My desiring  
Of desires  
Slowly increases  
Higher and higher

Seriously fucked up from  
Lack of stimulation  
Consuming hazardous amounts of  
Forced repetition

There's a fucking sick plague raging in my brain  
Invoking intense neurosis  
Gratification the need for stimulation  
Until I'm 6 feet under and rotten  
Put this mother fucker on a suicide watch  
Everyday around the fucking clock  
Fuck any limits I refuse to resist  
I'm obsessed, hard wired, impulsive

Instant gratification  
the only fucking cure for terminal boredom  
Paralysis of the mind  
In a millisecond  
An appetite for consumption

My desiring  
Of desires  
Overload, erode  
Sensory wires  
My desiring  
Of desires  
Slowly increasing  
Higher and higher
