

# Mayhem Doctrine

Waco Jesus

Cause the problems  
Blame your targets  
For the problems

Promote riots  
Themes of violence  
With insurgents

Trigger the clash  
With attacks  
Suicide blasts

Follow this guide  
To send them back  
To tribal times

Neatly packaged methods of coercion  
With sing a long songs of perversion  
Examples of ignorance a no guilt militia  
Weak minded followers with fucking amnesia

Their vision is mayhem  
Their mission is mayhem  
Division through mayhem  
Mayhem doctrine

Execute them  
Slash 'em up to ribbons  
These instructions  
Are found on fucking page one

We don't explain  
Surrender or beg  
Just make 'em pay

There's no guilt  
For those I killed  
They deserved it

We are feared  
Always smeared  
Our conscious clear

They're our targets  
Causing the problems  
Watch us solve 'em

Whatcha' gonna do  
When my Smith and Wesson's on you  
Beg shit or pray or  
Piss down your fucking leg  
You better get ready or break out the noose  
Cause we're coming real soon to a city near you

My vision is killing  
My mission is killing  
Division through killing

Mayhem doctrine

Maneuvers to incite  
Tactically precise  
They got it down to a science  
My authority  
Comes at high velocity  
Right between the eyes  
From an M16

Send me a postcard  
From your fucking God

We're coming soon to a city near you  
We're coming soon to a city near you  
What the fuck are you gonna do
