

# Mi Amigo

Wade Bowen

Well hey there buddy where ya been  
I ain't seen ya since I don't know when  
Oh I've been out here with the band  
Between the Red and Rio Grande  
But I'm about to jump off this highway  
Well swing on by if you're coming my way

Mi Amigo why don't we go  
Down to San Antonio  
Chase some señoritas all around  
Corn tortillas, Mas tequila  
It sure is good to see you  
You're the best amigo I have found  
Mi amigo

Hey... is that Big Tex  
No man that's Ray  
His thumbs out in the wind our way  
He hitchhiked all the way from Maui  
You say aloha and I'll say howdy  
Mahala boys means thank you in Hawaii  
And ill pick up the tab if you're buying

Mi Amigo why don't we go  
Down to San Antonio  
Chase some señoritas all around  
Corn tortillas, Mas tequila  
It sure is good to see you  
You're the best amigo I have found
