

## Poor Armadillo

Wade Bowen

Poor armadillo on the side of the road  
Them short arms and little legs can't help but move too slow  
Yeah, poor armadillo folks are scared to touch ya  
You live 20 years at best thinkin' nobody loves ya

Poor armadillo you're tougher than than a boot  
Guess that's why nobody cooks up armadillo stew  
Poor armadillo people hit ya just for fun  
Guess that chicken crossed the road just to prove it could be d  
one

Poor, poor armadillo  
You're so misunderstood  
Yeah, poor, poor armadillo  
You're better than you look

Poor armadillo I bet ya love a honky tonk  
You look like Moe Bandy with an army helmet on  
Poor armadillo you are a friend of mine  
You make tacos out of termites, you make scorpions run and hide

Poor, poor armadillo  
You're so misunderstood  
Poor, poor armadillo  
You're better than you look

Yeah, poor, poor armadillo  
You're so misunderstood  
Yeah, poor, poor armadillo  
You're better than you look

Poor, poor armadillo  
You're so misunderstood  
Poor, ugly armadillo  
You're better than you look  
Yeah, you're better than you look

Poor armadillo man keep up the fight  
Cause the whole state of Texas is on your side
