

When I Woke Up Today

Wade Bowen

Well this morning found me wandering through my mind
Another hangover hiding from the sunshine
I put some sunglasses on to stare out the window
Yeah I'm just looking for a way to tell the world hello

Dealing with the pain of trying to make a dream fly
Taking the good and the bad with a big smile
Uncertain roads and the thrill of the chase
Man I sure felt life's embrace when I woke up today

I saw a girl at a bus stop crying on her telephone
And a funeral procession heading down cemetery road
Well there's a bride and a groom outside the Church of Christ
Yeah it's a cut of the cards, it's a roll of the dice

When you're dealing with the pain of trying to make a dream fly
Taking the good and the bad with a big smile
Uncertain roads and the thrill of the chase
Man I sure felt life's embrace when I woke up today

And everyday brings another chance for you to take
And everyday brings another choice for you to make

When you wake up with the pain of trying to make a dream fly
Taking the good and the bad with a big smile
Uncertain roads and the thrill of the chase
But I'd have to say I'm in a pretty good place

When you're dealing with the pain of trying to make a dream fly
Taking the good and the bad with a big smile
Uncertain roads and the thrill of the chase
Man I sure felt life's embrace when when I woke up today
