

Just To Satisfy You

Wade Hayes

Someone's going to get hurt before you're through
Someone's going to pay for the things you do
How many hearts must break how many it's going to take
To satisfy you just to satisfy you

Another love another fool to play your game
Another love another fool they're all the same
Someone's going to get hurt before you're through
Someone's going to pay for the things you do
You're going to find when it's too late
Heart that just won't break
Just to satisfy you
Just to satisfy you

How many hearts must break
How many it's going to take
To satisfy you
To satisfy you
Just to satisfy you
Just to satisfy you

Someone's going to get hurt before you're through
Someone's going to pay for the things you do
You're going to find when it's too late
Heart that just won't break
Just to satisfy you
Just to satisfy you
Just to satisfy you
Just to satisfy you
Just to satisfy you
Satisfy you
Just to satisfy you
