

# The Day That She Left Tulsa (In A Chevy)

Wade Hayes

We were half a mile high on the Ferris wheel at our old county fair  
I didn't even know we had trouble until she told me way up there  
That's when my life started spinning round  
My world came crashing to the ground the day that she left Tulsa

In a chevy, in a hurry, in the pourin' down rain  
With the caution lights flashin', in the passin', lane  
From a bridge I watched our dreams goin', down the drain  
In a chevy, in a hurry, in the pourin' down rain

No she wasn't showin' yet but she'd be by Christmas time  
Up there like a fool I took for granted it was mine  
She never came out and told me that I was wrong  
But all of a sudden the light came on the day that she left Tulsa

In a chevy, in a hurry, in the pourin' down rain  
With the caution lights flashin', in the passin', lane  
From a bridge I watched our dreams goin', down the drain  
In a chevy, in a hurry, in the pourin' down rain

I guess she thought the truth would end up drivin' me away  
But she was wrong but I never had the chance to say  
The day that she left Tulsa  
In a chevy, in a hurry, in the pourin' down rain  
In a chevy, in a hurry, in the pourin' down rain

In a chevy, in a hurry, in the pourin' down rain  
With the caution lights flashin', in the passin', lane  
From a bridge I watched our dreams goin', down the drain  
In a chevy, in a hurry, in the pourin' down rain  
In a chevy, in a hurry, in the pourin' down rain  
In a chevy, in a hurry, in the pourin' down rain
