

Interlude

Wafia

Take you down (take you down)
Take you slowly away
Close your eyes (close your eyes)
Let me show you the way

Take you down (take you down)
Take you slowly away
Close your eyes (close your eyes)
Let me show you the way

Take you down (take you down)
Take you slowly away
Close your eyes (close your eyes)
Let me show you the way

Take you down (take you down)
Take you slowly away
Close your eyes
