

Self Sacrifice

Wage War

Sunk your teeth into me
Just to see how much I'd bleed
Oh the irony
'Cause you said you'd die for me
I turned around and felt the fangs
Marked on the neck but missed the veins
Oh the irony
'Cause you said you'd die for me
And now you'll die for me

Nowhere to run, nowhere to hide
You made your choice, I cut the ties
Off with the tongue, cut out the lies
Sever the head, the serpent will die
Nowhere to run, nowhere to hide
You made your choice, I cut the ties
Off with the tongue, cut out the lies
Kneel to the knife, self-sacrifice
(Kneel to the knife, self-sacrifice)

Rolled snake eyes, out of Eden deceiver
Dance with the devil, deal with the reaper

You're not the first
And you won't be the last
You're the name that I curse
Feel the swing of the axe

Nowhere to run, nowhere to hide
You made your choice, I cut the ties
Off with the tongue, cut out the lies
Sever the head, the serpent will die
Nowhere to run, nowhere to hide
You made your choice, I cut the ties
Off with the tongue, cut out the lies
Kneel to the knife, self-sacrifice

You're not the first
And you won't be the last
You're the name that I curse
Feel the swing of the axe
You're not the first (You're not the first)
And you won't be the last (Won't be the last)
You're the name that I curse (Name that I curse)
Feel the swing of the axe

Nowhere to run, nowhere to hide
You made your choice, I cut the ties
Off with the tongue, cut out the lies
Sever the head, the serpent will die
Nowhere to run, nowhere to hide
You made your choice, I cut the ties
Off with the tongue, cut out the lies
Kneel to the knife, self-sacrifice

The serpent will die
