Off to zanns, fucking kick stand, afraid of heights but I stay high
Stay fly, smoke this kush till my brains fry and my thoughts go dry
Pole pimping like do or die, tipping fo's like dug it all
Smoke more kush than Khalifa, spit the word like a preacher
I just bought the pounds, 'bout to go down, got whitey brown, nigga
'Bout to make a movie motion picture, bring couple bad bitches, my niggas
We got back woods of swishers, we got mollies in that Activist
My high I can't miss, get fucked up, everybody go ratchet, bitch.

I'm drinking on some Activist, I'm drinking on some Activist
Smoking exotic shit, you've never seen a better bitch
I'm drinking on some Activist, I'm drinking on some Activist

I'm fucked up, I'm fucked up
I said I'm fucked up, I'm fucked up

I'm in a rave party, off ecstasy, loud music and neon lights
Me and Molly first class flight, I know it's wrong but if feel right
Already got drink, all I need is Sprite, ask her name n her drug type
She don't do pills, she'll drink lean and smoke all night, hey, just my type
Long hair, her eyes light, bad chick never get a chance
Fuck her in the back seat, make that a man, that's about all
Drink Activist like smart water, two girls and Molly got my mouth sour
Like a warhead I want mo' head, you can tell it's good but her white leg keep shakin
Tryna get fucked up, nigga, what you drinking? You ain't high my dog, you faking
Free mag is also say the same to the Haitians, my high I'm chasing, you know what I'm saying?
The spikes on my eye escalating, every time I walk feel like I'm elevating
And after the club I'm a run red lights, with my head lights out, that's why we racing squad

I'm drinking on some Activist, I'm drinking on some Activist
Smoking on exotic shit, you've never seen a better bitch
I'm drinking on some Activist, I'm drinking on some Activist
Smoking on exotic shit, you've never seen a better bitch

I'm fucked up, I'm fucked up
I said I'm fucked up, I'm fucked up
I'm fucked up

Squad life, money over hoes, that's mob life
Got locked up my senior year, now I party every night like prom night
Scream fuck the system from the damn zoo
And I'm well-conditioned fuck shampoo
And I grow up quicker like bamboo and you marathon bitches get ran through
Get here, roll a blunt, take it to the head, got your girl in the kitchen, we ain't make it to the bed
Now she making me some eggs I'm a play up to the den

Got a bunch a weed and a baker made bread
And we baked out, I throw a party at the lake house
With them girls making out I deposit this dick in their bank account
And I pour, roll up, let's get faded, they ain't make it so they hate it
They just jaded, we just drinking, we just smoking, we just wasted
I'm hardly active on that Activist
Actually I've been actively passive with the baddest bitch

I'm drinking on some Activist, I'm drinking on some Activist
Smoking on exotic shit, you've never seen a better bitch
I'm drinking on some Activist, I'm drinking on some Activist
Smoking on exotic shit, you've never seen a better bitch

I'm fucked up, I'm fucked up
I said I'm fucked up, I'm fucked up
I'm fucked up
