

# Can't Do Golds

Waka Flocka Flame

Quarter million dollar cash in my guest room  
Thumbing through the bands I be playing with a check  
Count a cool 2 mill without breaking sweats  
Hit some more ain't fucking flexin, waynebo rolex  
Bricksquad monopoly, hey that's the company  
Run that shit the fuck back a track  
These niggas playing man we cop it  
Sour top dog, we in this bitch man

I'm rocking rollies, I'm talking 3 of those  
Bad bitches, I got plenty of those  
Diamond grill, I came through the ghost  
I'm riding 6's, I can do the 4's  
Keep it real till I die, put it on my set  
Keep it real till I die, put it on my set  
Thumbing through them bands, I be playing with the checks  
Keep it real till I die, put it on my set, squad!

Jiggin through this work, I don't have to benchpress  
When they kinda worry, my dogs always love to flex  
Cause he be a stone cold killa with the pistol  
Run up in my ...how's your mama gonna miss you  
Stay about my grizzle, thumbing through a check  
Stay a real nigga, I'ma put it on my set  
Fell in love with fashion, since Gucci Corvette  
Nigga disrespect me, I just leave his ass wet

He ain't never been scared, threw a hunned on his head  
Cash, bad, bad, stay real...  
If I catch you slippin with my gun, black mask  
I'm always fuckin hanging with no hobbies  
Thumbing through the bands, I be doing that  
You know I'm real nigga bitch break your fucking back  
You a pussy nigga, you don't want no get back  
I got war, girls back, had to live with that  
Same situation get it how you live bitch  
Worth a couple comments, you ain't even average  
I'm flexin with d7,  
Free my nigga boosie, I'm a fuckin savage
