

CEO

Waka Flocka Flame

I'm in H-Town, with the real niggas
Off in Nichols with the goonies and the drug dealers
Asshole by nature, real niggas, what's up, Trae?
I do 20 years like Mike Prince any day
Bitch, I'm from where them niggas work at all the stores
And they hold heat, shawty, I'm from Grove Street
Stupid house party, dumb pool party
This a club night, up all night
Jewelry hella bright, sunlight
Headlights, flex time
25 days, call it Gucci time
365, call it on my grind

Locked my CEO up, now it's back to coca
Locked my CEO up, now it's back to coca
Locked my CEO up, now it's back to coca
