

Rotation

Waka Flocka Flame

Yeah
Drinkin', drinkin', drinkin'
The lifestyle, you know I'm saying?

Let's pop us some molly together
Let's boot up, let's boot up
Let's boot up, let's boot up
Fuck us some bitches together
Count up these riches together
Trap out that 'Rarri together
Trap out that 'Rarri like HA!
Jump out that 'Rarri like AH!
Trap out that 'Rarri like AH!
We put all these bitches in rotation
We pourin' it up, we in rotation
Flooded my wrist with a gold face
I told her [?] rotation

Let's turn up on all these bitches
Let's turn up, let's turn up on all these bitches
Let's turn up on all these bitches
Let's turn up, let's turn up on all these bitches
Let's turn up on all these bitches
Let's smoke some, let's pop some with all these bitches
Let's po' up with all these bitches
Let's drank some, let's drank some with all these bitches
Let's turn up on all these bitches
Let's turn up on all these bitches
Let's do it, let's do it with all these bitches
Let's turn up on all these bitches
Let's smoke, let's drank with all these bitches

Sittin' in the back of the Phantom, we rolling the holy dope
That mula, that mula, like me and young Flocka we fuckin' it up on a Rolley
though
Fuckin' it up with my comrades
Dirty money for them cops
Fuckin' R&B pussy
Now it gotta young nigga goin' pop
I'm straight out the gutta like 88
I know the streets like a navigation
My trap doing numbers, they fascinating
Catch me pourin' up my medication
Trippin' and fallin' in the penthouse
Lost in the ghetto, tryna find a way out
Freebandz!
Lost in the ghetto, tryna find a way out

They looking at me for the way out
Drum on that bitch with the K out
Bandanna wrapped 'round my head
Bandanna wrapped 'round her head
Shoot at your head, not your legs
Future, let's chop up this bread
They fuckin' with you, make they bed
He scrambling dope like it's eggs
I'm running the play

The ball in rotation
You know that I'm shooting
Like I'm on location
I be on that paper like I'm on probation
You loving these hoes, the squad in rotation
The squad so amazing, so haters like fuck up
You hold 'em in trust and we fuck 'em like... fuck 'em
I duck 'em, I duck 'em
Cause bitches be hunting
I'm blunted, I'm stunting
Cause I came from nothing
I done it, I did it
My shooters is with it
I handle my business
I get it, I get it
I get it, I get it
I get it, I get it
I made it, I got it, you know that I get it
