

## Steve Aoki

### Waka Flocka Flame

We got blocks like Dikembe we got the club popping on a Wednesday  
Call me Steve Aoki how I'm throwing cake  
Shawty say she got you in a friend space  
She think she putter space when she in the rafe  
We just popped a pill now we putter space  
Every room filled with money running out of space  
When a broke nigga round us he feel out of place

I let her ride the dick like a four fifty eight  
She geeking for them perkys bitch get out my face  
I fed that hoe a xanny than I fucked her face  
Fucked yo baby momma in my trap the other day  
I take my flock everywhere bitch ain't nowhere safe  
Can't take these bitches on no date I'm trynna date my safe  
So many racks can't keep my pants up  
If you get that money throw your hands up  
Niggas on that gang shit throwing signs up  
Fuck  
They like Rico what you doing serve your ass a plate  
Out that brick right in the table cut it like a steak  
Heard that nigga talking crazy what the fuck he say  
And if I call my nigga prince I bet he eat your face

We got blocks like Dikembe we got the club popping on a Wednesday  
Call me Steve Aoki how I'm throwing cake  
Shawty say she got you in a friend space  
She think she putter space when she in the rafe  
We just popped a pill now we putter space  
Every room filled with money running out of space  
When a broke nigga round us he feel out of place

Anything broke on me can be fixed fuck it  
All these cars push start I came from riding in a bucket  
Scraping change up wit my buddy's tryna get us up some bubbly  
Bitches use to walk pass me ignore me like Im ugly  
Now I can send the club up on a Wednesday and these lil bitches want in today  
I remember being in her dm a couple years ago she opened it yesterday  
Boo keep it that way I'm on stage wit Steve Aoki  
We serve bags like we serving groceries  
They be watching me thinking they know me  
Bruh bruh he scoping can't stand these niggas they plotting  
Moo in the cut he be quiet cause he be toting that rocket  
Stars in the roof when I be riding I came along way from godby  
Stars in the roof when I be riding I came along way from godby

We got blocks like Dikembe we got the club popping on a Wednesday  
Call me Steve Aoki how I'm throwing cake  
Shawty say she got you in a friend space  
She think she putter space when she in the rafe  
We just popped a pill now we putter space  
Every room filled with money running out of space  
When a broke nigga round us he feel out of place

Niggas feeling out of place around the gang  
Every nigga round me got a diamond chain  
My lil scrap doing 300 hundred p's a week

If you wanna make a mill come to elm street  
Throwing cake throwing cake like I'm Steve Aoki  
Around my hood they take your head off for a diamond Rollie  
I'm a walking legend nigga you can call me Koby  
Ask around the south side I'm the big homie  
Sugezilla out of prison I passed him the torch  
Told him to run the game and show no remorse  
In the booth for a night now my voice horse  
Me and molly back to back in a Rose Royce

We got blocks like Dikembe we got the club popping on a Wednesday  
Call me Steve Aoki how I'm throwing cake  
Shawty say she got you in a friend space  
She think she putter space when she in the rafe  
We just popped a pill now we putter space  
Every room filled with money running out of space  
When a broke nigga round us he feel out of place
