

Trap Hard

Waka Flocka Flame

Still that same nigga dig yo grave nigga what
Two twenty three will knock your brain on the floor
We ain't clicking up with none of these hoe niggas
I'm from the south side that shit a war zone
Get a whole block than we put it in a trap
You a street nigga but I do it on your block
Just drop two hundred pounds off at the trap
Gotta trap hard nigga gotta think smarter

Thrower on me right now thirty on that fucker
Hustle all day nigga 365
Don't come outside if your ass scared to ride
We don't hang on blocks boy we trap inside
Young niggas round me boy you know they gone ride
Got them blue demons and them bloods right beside him
Partners get locked up boy you know that we got them
I will never trade for no mother fucking bitch
Water on my neck nigga water on my wrist
Pray I make it home to see my daughter pretty smile
When it come to family nigga Imma run a mile
And when you round me nigga keep your voice down

Still that same nigga dig yo grave nigga what
Two twenty three will knock your brain on the floor
We ain't clicking up with none of these hoe niggas
I'm from the south side that shit a war zone
Get a whole block than we put it in a trap
You a street nigga but I do it on your block
Just drop two hundred pounds off at the trap
Gotta trap hard nigga gotta think smarter

Fuck you and your gang nigga we know y'all some hoes
That short nigga cannon in the cut with the pole
Undefeated gang nigga we never fold
Since a juvenile live by the g-code
All my niggas felons some out on parole
And I'm the fucking reason why they kicking in your door
Wish ya would crew wish you would crew
Big dog one call bring the hood through
Insane in the membrane they cut throat
Ask around Atlanta clayco got the best coke
Stand up shooters round me lying under oath
2020 Waka flocka flame be taking votes

Still that same nigga dig yo grave nigga what
Two twenty three will knock your brain on the floor
We ain't clicking up with none of these hoe niggas
I'm from the south side that shit a war zone
Get a whole block than we put it in a trap
You a street nigga but I do it on your block
Just drop two hundred pounds off at the trap
Gotta trap hard nigga gotta think smarter
