

Irresistible

Wakey!Wakey!

I wish I hadn't noticed
That you were sitting there all alone
Pouting in the corner
You're much too pretty to be alone
My, oh, my, what can I do?
Yeah I can't walk away from a girl like you
Here I goooooooooo!

I wish and I wish and I wish and I wish
Yeah I wish it wasn't true
But you're damned if you do
And you're damned if you don't
It's irresistible
It's one more shot of whiskey when you're already drunk
And you should go home, but you know that you won't
You're damned if you do and you're damned if you don't
It's irresistible
It's irresistible

I'm so glad you noticed
That I was sitting here all along
Crying in the corner
I didn't wanna be left alone
My, oh, my, what looking at you?
What's a girl gonna do, what's a girl gonna do?
Let's goooooooooo!

I wish and I wish and I wish and I wish
Yeah I wish it wasn't true
But you're damned if you do
And you're damned if you don't
It's irresistible
It's one more shot of whiskey when you're already drunk
And you should go home, but you know that you won't
You're damned if you do and you're damned if you don't
It's irresistible
It's irresistible

And I wish and I wish...
And I wish and I wish...
And I wish and I wish...
And I wish, yeah, I wish and I wish it
Wasn't true, but you're damn to be due
I wish and I wish and I wish and I wish
Yeah I wish it wasn't true
But you're damned if you do
And you're damned if you don't
It's irresistible
It's one more shot of whiskey when you're already drunk
And you should go home, but you know that you won't
You're damned if you do and you're damned if you don't
It's irresistible
It's irresistible
It's irresistible
