

# Let Down King

Wakey!Wakey!

I signed on with the let down king  
How he promised everything  
And how he lied  
Like every day would be the 4th of July  
Still I took him at his word  
Though he sounded so absurd  
Like city lights  
His lies they shined so bright

No picture in the frame  
I see it now  
Closin' in on me till all I want is out  
Get me out, get me out

'Cause all these things he took for me  
First my pride and then my peace  
And you're my light  
Till I was dark as night

No picture in the frame  
I see it now  
Closin' in on me till all I want is out  
Get me out, get me out

This is the end  
This is the end  
A favorite friend  
The end  
The end of everything  
There was nothing at all  
So get me out  
Get me out

'Cause he'll say he's 10 stories tall  
But he's standin' on us all

No picture in the frame  
I see it now  
Closin' in on me till all I want is out  
Get me out, get me out

There's no picture in the frame  
I see it now  
Closin' in on me and all I want is out  
Get me out, get me out  
Get me out

Get me out
