

## Square Peg Round Hole

Wakey!Wakey!

Take me with you when you go  
I don't want to stay here alone  
Remember when we were golden  
Well that was a long time ago  
You told me that you felt foolish  
You stayed where you didn't belong  
I don't wanna be foolish  
Square peg in a round hole  
Square peg in a round hole

You said that it was still stolen  
But it just didn't beat anymore  
I guess that when it's done falling  
It's just lying dead on the floor  
Said if you wanna be foolish  
Then you can go do it alone  
Cause I don't wanna be foolish  
Square peg in a round hole  
Square peg in a round hole

Square peg in a round hole  
Square peg in a round hole  
Square peg in a round hole

Square peg in a round hole  
Square peg in a round hole  
Square peg in a round hole

Square peg in a round hole

Square peg in a round hole
