

# Defenceless

Waldeck

Every now and then  
When i see you  
There seems to be no measure of time  
My feelings run deeper  
Than meets the eye  
The harder i try  
The faster time flys by

Dont wanna be  
Dont wanna be  
Alone and defenseless

I told you how i feel  
I said it from my heart  
Tell me whats really up in here  
I cant make you feel  
The way that i do  
Still i wont be given up on you

Dont wanna be ...  
Dont wanna be...  
Alone and defenseless...
