

# Never Let You Go

Waldeck

Boy you got it going on  
Ever since you came, along  
On and on, and on and on  
Boy, you got it going on  
Ever since you came along  
My head keeps spinning  
'Round and 'round  
My head keeps spinning  
'Round and round, and round  
My head keeps spinning  
'Round and round, and round  
Ever since you came along  
My head keeps spinning  
'Round and round, and round  
Ever since you came along  
Ever since you came, along  
Boy, you got it going on

You got it going on  
Nothings' been the same  
Ever since you came  
I will never let you go  
Again  
Flowers in my kitchen sink  
Boy, you got it going on  
On and on, and on and on  
Boy, you got it going on  
Ever since you came along  
My head keeps spinning  
'Round and round, and round  
Ever since you came along  
Ever since you came along  
Boy, you got it going on  
You got it going on  
You got it going on
