Rough Landing

Waldeck

Rough landing with
My arms open wide
I cannot hide
The love i feel inside
Pain is incapable
In-comfortably near
Love me
Leave me
There is no sound
Pain is incapable
In-comfortably near
Love me
Leave me
There is no sound

Rough landing with
My arms open wide
You kiss me once
So kiss me twice
Pain is incapable
In-comfortably near
Love me
Leave me
There is no sound
Love me
Leave me
There is no sound
There is no sound
