

# Beverly Blvd

Wale

My baby

I do the shit that they never done  
I see the shit they can never see  
Honestly, I'm really one-of-one  
Honestly, I got no company (Hol' on), let it breathe  
Mm, let it be (Just let it be)  
I do the shit that they never done (What?)  
I see the shit they can never see (Never see)  
Honestly, I'm really one-of-one  
Honestly, I got no company (Hol' on), let it be  
Llet it be, mm

Look

Up in the vibes, we up in the stakes  
You know how we casually do it (Baow)  
I'm gentleman, baby, but you gotta leave, it's not a resort  
I be whippin' through Beverly (Dash)  
On the dolo, my neighbors be scared of me (Scared of me)  
On the cool, got six hundred-  
fifty reasons and a chauffeur, to show my celebrity (Skrr)  
Bands talk, neck chilly though  
Y'all niggas aimin' and still be broke  
Y'all niggas bummers but I ain't hatin'  
I say it to their face and that's in the song (Yeah, broke ass)  
Look out there, y'all can see my influence  
Footlocker deal, me and Kaz just do it, look  
Maybach, I scoop 'em (Scoop 'em)  
Laid back, we coolin' (Cool)  
If that's trash, we still chill but you catch feelings, catch Uber (Bye-bye)  
Catch attitude, catch left (Gone)  
Catch attitude and cold friend  
Catch attitude, she don't get it (No)  
'Til she leave them child's in the scooter

I do the shit that they never done  
I see the shit they can never see  
Honestly, I'm really one-of-one  
Honestly, I got no company  
It's Beverly  
Yeah, that's how it be

Let that bitch breathe, I say  
You wanna sleep for days  
You are not me, okay?  
Niggas don't pay attention, so they payin' notes, bills  
I tell 'em, "Please, don't stay"  
Look, I'm on Rodeo, just seen [?] that Balenciaga, yeah  
I see the big picture, Will Smith ain't chauffeured, haha  
Look, new balances, I can call Jada, yeah  
Ayy, new balances, we just countin' paper  
I just be quiet, I'm out the way  
I try to talk, they gon' tarnish my reputation  
Up your fire, then shawty you better shoot it  
Choose violence, I gladly facilitate it

Tell me yourself then it's never done

I'm tellin' you niggas won't even see it  
Honestly, I'm really one-of-one  
Take a second, let me let it breathe  
Let it breathe

One, two, three  
Promise we good wherever (Yeah)  
Promise we good forever (Yeah)  
Got DMV on my back like my learner's permit is expired and done up  
What up? (What up?), hol' up (Yeah, yeah)  
Hol' up (Yeah)  
I'm in [?] can bet your lil' queen wan' lay her lil' head on my pillow  
Alex McQueen my scarf so (Yeah)  
[?] (Yeah)  
Don't even know what they talking 'bout  
But shawty just told me to cop some  
It's crazy 'cause I like Monopoly, met me a vibe a time ago  
Back when he covered his jar though  
Now it's [?] cross a condo  
Nah, nah, y'all was talkin' crazy, I remember friends takin' sides though  
Ha, ha, I just left the game on a proper plan, bitch, you [?]  
More scale, they just [?], okay, blah, blah, heard it all though  
It's all good 'cause it's all a game  
Y'all do your thing, I'm just more clutched

I do the shit that they never done  
My vision is somethin' that they never seen  
Honestly, I'm really one-of-one  
I promise you, look  
Hahaha, hey, I promise you  
I promise you they cannot fuck with me  
KOB

For the city though
