

Big Head

Wale

I dey hustle for money, so everything I do, I put agro
She dey hustle for ego, she no use her body, she use iko
Ikebe super, I just wanna say hello
Fine, fine ladies, they're calling me big head, oh
I'm not there, oh

I dey hustle for money, so everything I do, I put agro
She dey hustle for ego, baby, go down low
Ikebe super, I just wanna say hello
How many ladies? How many women? I too bad, oh
They're calling me big head

Pressure, pressure, what you expect?
My habesha conjo control it the best
Show me your waist, come out your dress
I do want attachments, I don't wanna text
Grew up on garri and peanut for stress
Now I dey chop and go meet with the chef
Link with the baddies, Abuja to Cali
My life is a movie, don't sneak on set
Yeah, stand on business
No one as big as me in my city
I put a hundred-fifty on Bukayo
The only time I pay for someone to kick it
That's how I'm living
She telling you Vegas, she's in Lasgidi
Damn, that's how she living?
She's telling you Vegas, she's in-

I dey hustle for money, so everything I do, I put agro
She dey hustle for ego, baby, go down low
Ikebe super, I just wanna say hello
How many ladies? How many women? I too bad, oh
They're calling me big head, oh

Hey, they're calling me big head, oh
My shima, she's calling me big head, oh
I twist upon, they're calling me big head, oh
Have to guess why, they're calling me big head, oh

Abisola, you calling me
Teniola, you calling me
You got friends that don't call you by government
It's okay, you just bae when it come to me
Move your waist, figure eight
Move your waist, figure eight
Move your waist, my shima
Damilola, you calling me?
Lydia, is you calling me?
I came in this bitch with my government
Ain't no way, ain't no way they gon' fuck with me, nah
Move your waist, figure eight
Move your waist, figure eight
Move your waist, figure eight
Keep me company

We need some bottles, don't want 'em to sparkle

It's hard to be modest, I'm handsome as shit
It's easy for y'all, it's hard to be him
Baba Folarin, Dobale my-
Wait, wait, wait, hold up, I got it again
They pay me to pull up and stand for a bit
And now I dey spray all the dancers again

I dey hustle for money, so everything I do, I put agro
She dey hustle for ego, baby, go down low
Ikebe super, I just wanna say hello
How many ladies? How many women? I too bad, oh

They're calling me big head, oh
Hey, they're calling me big head, oh
My shima, she's calling me big head, oh
I twist upon, they're calling me big head, oh
Have to guess why, they're calling me big head, oh

Abisola, you calling me?
Temitopa, you calling me?
Is you really in love with me?
Keep me company
Are you calling me?
Are you sure? Are you sure? Is you company?
