Tuck all my diamonds, fuck the attention  
Fuck wit the bitches (You know)  
Fuck with no effort  
Just hit the projects  
To holler and check  
Just hit up papi  
Te llamo no bueno, te llamo no bueno, te llamo no bueno  
You know my picture  
Don't know what I been through  
Te llamo no bueno, te llamo no bueno  
Niggas don't know you  
If they did, they forgot you

Grew up in the county  
Born in the district  
All ass around me  
Lovers and killers  
I got my deal, I promised that I will keep it realer  
'Cause real know the real my nigga  
You no too familiar  
Me llamo Folarin  
Don't know your problem  
'Cause Saint Laurent on me  
All of 'em posse  
Ya tu sabe  
That's why I'm too savage  
Outside, we workin'  
Inside we plottin'  
Te llamo no bueno  
Face time with you woman  
She Puerto Rican but she speak-y Brooklyn  
Mira mami tranquila, Mira mami tranquila  
Meet up then kick you feet up  
Relájate conmigo

Tuck all my diamonds, fuck the attention  
Fuck wit the bitches (You know)  
Fuck with no effort  
Just hit the projects  
To holler and check  
Just hit up papi  
Te llamo no bueno  
Te llamo no bueno, te llamo no bueno  
You know my picture  
Don't know what I been through  
Te llamo no bueno  
Te llamo no bueno

Niggas don't know you  
If they did, they forgot you

(J Balvin, man)

Ellos saben lo que hay  
Siempre estoy bien fly  
Y no se puede negar  
Cuando la llamo  
Acabo de aterrizar  
Dime qué estás haciendo  
Cancela tu plan  
Que la noche es nuestra  
Y si él te llama, invéntale un pero  
Entre tú y yo sabes que soy primero  
Que tú eres mi mujer  
Así tengas hombre  
(Él no tiene que saberlo)  
No va a saberlo

Ponte lo que te regalé (Bonita)  
Modélame de una vez (Me excita)  
Y baila, pa mi  
You're on fire, mami  
Tú eres más mía que tuya  
Así que dale mami
