My baby mother told her new husband she had to move on
I was like, "Why deny it?" Then hallelujah
She's tryna be a wife and we been fightin' for too long
That's the price of this life, I pray for guidance and coupons
Yeah, my heart colder than most
'Cause I could love you to death, but still I gotta get ghost s
ometimes
A couple of 'em got close
But when I struggle up top, just know I'm known to get low, goo
dbye
My ex, I was in love with her
Passionate sex, but couldn't cuddle her
Tell me was it lust or did I love her?
Her clothes off, I'm closed off, which one is worse?
Chicken and egg shit
Extend whatever this is with dick and some bread quick
Do you love me?
She tell me I'm selfish
I tell her I'm self-
aware, I feel you, baby, but I don't feel nothin'

Now with that said, do you love me?
Naw, for real, do you love me?
Damn, haha

I know, I know, I know
Know, I know, I know, I gave this shit my all
I know, I know, I know
I gave this shit my all
I know, I know, I know
I gave this shit my all
I know, I know, I know
