I don't wanna go home  
Don't wanna go home  
Unless it's with you  
'Less it's with you

Yeah, yeah, yeah, yeah  
Yeah, let's turn it up  
Go on, I wanna get drunk, I wanna get fucked  
Yeah, I wanna fall in love  
Be the one you trust (Yeah, yeah, yeah, yeah)  
Girl, let's cause the sleep  
Be the man you need, the man you think  
The man that you dream of

It's a night  
You're with me  
No, we won't  
Leave alone  
I've been dying to let you know

I don't wanna go home  
Don't wanna go home  
'Less it's with you  
'Less it's with you  
Don't wanna go home  
Don't wanna go home  
'Less it's with you  
'Less it's with you  
I don't wanna go home  
Don't wanna go home  
'Less it's with you  
'Less it's with you  
Don't wanna go home  
Don't wanna go home  
'Less it's with you  
'Less it's with you
