

# It's Too Late

Wale

I, just know what I know  
I say homies over dough  
I say hoes under both  
And I live by the code  
I say stay away from hoe shit  
Yeah then, stick to your own  
I fuck with the people  
Never been a thirsty neighbor  
I could show you how a G look  
I don't run my mouth  
I mean, better run my town now  
What the fuck is y'all about?

Fuck with me, fuck with me  
All my day one niggas stuck with me  
Tell my main bitch, never go too far  
New song make a new broad fuck with me  
Work hard nigga, sleep comfortably  
Go hard nigga, eat comfortably  
Do what you like but keep this dissin mine  
Cheap talk will get your head bust for free  
I could wave a price  
Don't recommend the famous life  
You know the hoes in the condo and the ladies like it  
And she don't even know 'bout your baby's life  
I'm crazy made, I'm crazy nice  
Sleep the day, live some amazing nights  
Amazing grace, nigga how sweet the sound  
Reefer loud enough to shake the sky  
And I been a nigga where I come from  
Dew baby in the cut tryna hold tight  
Two strikes, shooting dice when he roll up  
Get it, I got 100 niggas, they need me to win  
20 something niggas that need a Benz  
How many niggas your niggas is really friends?

It's too late, it's too late  
I'm smoking buff up too late  
I'm married to the game, ain't too fake  
Cheating with the money and the fame  
It's too late, it's too late  
When I get on, whole crew straight  
When I get on, whole crew straight  
And I pray to God I ain't too late

I, just know what I know  
I say homies over dough  
I say hoes under both  
And I live by the code  
I say stay away from hoes  
Yeah then, stick to your zone  
I fuck with the people  
Never been a thirsty neighbour  
I could show you how a G look  
I don't run my mouth  
I'm young but I run my town now  
What the fuck is y'all about?

It's too late, it's too late  
It's too late, it's too late  
It's too late, it's too late

I, just know what I know  
I say homies over dough  
I say hoes under both  
And I live by the code  
I say stay away from hoes  
Yeah then, stick to your own  
I fuck with the people  
Never been a thirsty neighbour  
I could show you how a G look  
I don't run my mouth  
I mean, better run my town now  
What the fuck is y'all about?
