Hello  
I'm Working on Dying  
BNYX®

Mirror, mirror on the Benz, who the flyest in the room?  
Who inspired everybody that's inspiring the youth?  
I won't toot my own horn, I'm just clarinet to you  
And I know you just a mirror, but my fear is only you  
Therefore, them lil' boys ain't nowhere near you  
Don't care but just annoyed that they be playing you  
Those years of paranoia probably took a toll  
But depression gets old, mirror, it ain't only you

Mm-hmm, mm-hmm  
You deserve everything you do  
Mm-hmm, mm-hmm  
They gon' try to get you in the mood  
Mm-hmm, mm-hmm  
They gon' try 'cause it work, right?  
Mm-hmm, mm-hmm  
Should have never stopped listening to you

Oh, mirror, don't you forget  
Remember Glenn Lewis?  
Don't feel like you really him  
But I'ma see to it  
That you feel like you really him  
'Cause I'ma need you  
'Cause now we see what this really is  
We gotta see it through, twin, right?

Mm-hmm, mm-hmm  
You deserve everything you do  
Mm-hmm, mm-hmm  
They gon' try to get you in the mood  
Mm-hmm, mm-hmm  
They gon' try 'cause it work, right?  
Mm-hmm, mm-hmm  
Should have never stopped listening to you

Okay, mirror, mirror on the Lex  
The coach sent you home, you don't know what's coming next  
You thinking Bowie State, cool, you always been a dog  
But the portal wasn't on  
They gon' send yo' ass home 'fore you even get to stretch  
Mirror, mirror, mirror, look at all your transgressions  
Niggas think you crazy, crackers think you too aggressive  
The people think you mad, I ain't mad, just reflecting  
But since "Flower Bomb" dropped, ain't nobody give you—  
Been a few years, see what we going through  
Yeah, so many peers done stopped calling you  
Yeah, let's make it clear on who you loyal to, uh  
Yeah, save all your tears, see what we gonna do is  
Mirror, look at me, no, mirror, look at me  
They try and bite your style, they walk out with crooked teeth  
Don't self-sabotage, know the opps a click away  
If you ever need to talk, know I'll always be in your face

Mm-hmm, mm-hmm  
Just saying you deserve everything you do  
Mm-hmm, mm-hmm  
They gon' try to get you in the mood  
Mm-hmm, mm-hmm  
They gon' try 'cause it work, right?  
Mm-hmm, mm-hmm  
Should have never stopped listening to you

Thank you  
Thank you, thank you  
Thank you, thank you
