Look, I got

I g-, I got it, the sound

Anyway, you catch me any day
Sippin' Hennessey, all of my peeps got heavy chains
Who name bell ring? What
Who name bell ring?

You try and make some money, some enemies coming with that
Niggas wanna troll, there's a trophy: they get a mention
A lot of my haters is mad but I forgive 'em
'Cause every bad bitch in the city tatted "Ambition"
Nah, nah, fuck your initials
Every bad bitch where you live tatted "Ambition"
Told me that I got it, said I been had it
She said, "I've been broken", I said, "I been crackin'"
Now I'm on a scene, pocket full of green
First magazine, I was in Supreme
Y'all was in the bleachers, talking 'bout sneakers
Ask your favorite rapper, who his favorite teacher
Who he tryna be, why I gotta B.S.?
I don't gotta be liked but I'ma always be good
Ain't gon' always be right but know my loyalty good
Some niggas quick to speak out but too pussy to speak up

Anyway, you catch me any day
Sippin' Hennessey, all of my peeps got heavy chains
Who name bell ring? What
Who name bell ring?
Like (Ting-a-ling-a-ling) like (Ting-a-ling-a-ling)
Like (Ting-a-ling-a-ling) right (Ting-a-ling-a-ling)
Who name bell ring? (Ting-a-ling-a-ling)
Who name bell ring?

Yeah, lay low, nobody move 'till I say so

I got bitches, I got paper but I'm great 'cause I got favors
Boy, I'm on a scene, pocket full of green
Used to rock Moschino, used to sell my skin
Say I got a ego, I deserve a EGOT
Introvert, he acting like them things can't sing out
Rocking with the team, I done brought Hakeem out
Say I need my flowers, the cookies come to me now
Bring the DMV out, glad they think of me now
Love it or you hate it but say, "Thank you" when I be out, boy
