Wale

George: \*coughs\* I got the will power  
Elaine: Oh, I don't like this one bit!  
George: \*coughs\* I can't stop now! I'm addicted!

Cool as a summer breeze  
Pimping is nothing to me  
Roll up the purple and breathe  
Sit back and roll up the weed  
Them niggas be talking but them niggas is nothing to me  
Who here is fucking with me?  
It's not a discussion I be  
In my own class bitch I them cold raps  
I fuck the world and fuck yo girl and give em both an orgasm  
Leave yo show canceled  
Leave em with no answer  
The master of my domain  
Yes I am no Costanza  
First I had potential  
Now I got them answers  
I'm smoking on that voodoo  
And that's word to Papa Shango  
Cooler than a fan circulatin  
When they dancing in my face if I get one chance, I'ma take it  
So, Lord forgive me for my indirect sinning  
Am I cheating on these women if I'm getting naked pictures from another, a l  
over  
I want her but lemme be 100  
See, monogamy's redundant  
Sometimes you find the one  
Sometimes you give it up  
Sometimes you buy the ring with no problems  
You in love  
Sometimes it aint whassup  
Sometimes it you play the fool  
But right now I'm doing me and it's fine  
Nigga its cool

I hear em talking  
All saying they doing they thing but they not like me  
I'm getting all this loving all this money  
That's how it is and how its gone be  
When you balling, when you ballin  
Watch the niggas on the sideline hatin  
But I'm too high to hear what they saying, sayin

Definition of cold  
Ice 30 below  
Champaign foreign names in my pool  
Take you home let you sleep in my clothes  
Roll some weed the homies aint gotta know  
Get you high  
Keep it on the low  
All this paper I fold  
Meetin n'fucking hoes on the road  
Is taking its toll  
Now how you think don't even speak unless you talking Franklins  
Ran outta weed but bought a joint to bake

(Nigga its cool)  
So cool my bitch got no shoes  
My whip is new but I'm playing old school  
Always keep it up to date, that's why the hoes choose  
Yesterday's paper, that's why you old news  
Haterin on my team until they see we wont loose  
I used to be a player  
Now I coach fools  
On how to get they money, live it and just spend it just like you posed to  
Call some bitches to roll through and it cool

What is hittin' for  
My niggas is winning though  
Everywhere i'm at I make you feel like it is 10 below  
It aint nothing yo  
Let me change the temperature  
and do i need to mention when

a-a-and then

Access Granted take a step up in my world, cuz  
My niggas is thorough cut  
Sipping hella Earl cuz  
Oca, hol' up  
I got bitches sewed up  
What yall niggas know about it?  
My kick game is world cup  
World cup I know that they don't get me

I keep them bitches clean  
Though my sneaker game is messy  
Due to my underselling  
No I did not get that Bentley  
But this AMG wont do for nothing  
And you niggas wont catch me  
Vicious transmission for my vicious ambition  
Said I just wanna rep my hood so I'm good if I don't get rich

Sometimes you do get dough  
Sometime you get the cheese  
Sometimes you go stores and buy everything that you see  
Sometimes you do get broke  
Sometimes you be on E  
But for now, just roll it up and just become one with the Breeze
