

The Power

Wale

I told ya!
WHAT?!
I told ya she liked...
HOW DO YOU KNOW?!
She told me. She said she's never had a man
stir up all these feelings inside of her
SHE'S QUESTIONING HER FAITH!
SHE'S THINKING OF LEAVING THE CHURCH!
WOW!
RRRGH!..BOY..THIS IS POWER!

I got two whole tears in a bucket
And if my plans fall through then fuck it. Naaaaw
Way to much right here is at stake.
I AM INVINCIBLE!
I AM UNSTOPPABLE!

Straight renegade, penetrating minds
Taking my time, let me levitate
Yall can't ever fade that
I don't ever lack shit
I ain't ever ask for nothin to make it right here.
Yall all passe, stuck up on last year
I'm everybody top ten, you ain't even top tier
My criteria ain't even that serious
The way a nigga see it you lil niggas is ...
Yeah, I got felipe ... flow
See I slept now atleast yall know
I live by the code, fuck bitches, love queen so
You don't gotta wonder what I got up on my team
Got a pocket full of cream, my moccasin's clean
I'm playin for the green shawty I'ma team pleaser
I'ma team player, I ain't tryna be no king
Just tryna be a legend for a nigga hit 3....
0, the board CEO
I'm glad you all witnessing what I did for D.C. tho
They disregard me, I guess they all got egos
They all need attention, they call me and ...
The Roq to a, they all believe me tho
And even with that, I be the rap Don Cheadle
Its hotel Rwanda, boast got cause I got-ta
Spit that raw shit, yall some talkative condoms
(Fall back)

I got two whole tears in a bucket
And if my plans fall thru then fuck it. Naaaaw
Way to much right here is at stake.
I AM INVINCIBLE!
I AM UNSTOPPABLE!

Who woulda thought that the little running back
With the dickerson mask
Would be getting in the ass of opponents
Witness what I'm showing
And I don't need no center or guard, to get him open
(Hold up) I used to run powers and draws
Now I'm trickin with the strippers, the power of the draws

And I don't run counters no more
But I took a fly route to an opposite shore
A real life viking, shout out to saint paul
