

# The Remake Of A Remake (All I Need)

Wale

Listen

Shorty I'm here for you any time you need me  
For real girl, its me in your world, believe me  
Nothin make a man feel better than a woman, (nothing)  
Queen wit a crown that be down for whatever  
In this life, nothing is forever, my lady  
We can make more, make babies  
Back when I was nothing, you made a brother feel like he was something (yep)  
So now I show you off to the block no fronting  
Even when the skies is grey, and my money was low  
But now the dough like Kaiser bro  
Not relying on the light no more  
Cuz ever night the light kisses, she blow the only shot I know  
Could make the eyes of the blind perform  
I got my wife, so fuck the ring  
The ice ain't really nothing to her  
And I ain't frontin for her  
She know just what it is  
And I got mad love to give  
You my ni--

Like the sweet morning dew, I took one look at you  
And it was plain to see, you were my destiny  
With my arms open wide, I threw away my pride  
I'll sacrifice for you, dedicate my life for you

I will go where you lead  
Always there in time of need  
And when I lose my will  
You'll be there to push me up the hill  
There's no, no looking back for us  
We got love sure 'nough, that's enough  
Said, you're all, you're all I need to get by

You're all I need to get by

Yeah

I got a love jones for your body and skin tone  
5 minutes alone and I'm already on the you know  
Whenever I'm through, you already on the phone  
That's why all your lil homies plotting to get me on  
But no, head over heels you better get me  
Forever all about you like Wrigleys, (woo)  
It be true, me for you, that's how it is  
I'll be your Noah, you be my Wiz  
I'm your Mr. and you my Mrs.,  
With hugs and kisses, valentine cards and birthday wishes  
Please, we avoid Pagan the pace is far more amazing  
Than a maze raced by the legless  
Won't stray where the hate is  
Haters just hate but yet they don't know squat like a leg lift  
This is love, nothing else close  
Now I'm signing off, so let my girl go (go)
