

Welcome To The Stage (Tame Impala Freestyle)

Wale

One of the dopest niggas to ever do it
Y'all niggas loafing now you going through it
I'm having motion very very focused
Everybody hold up look what I've influenced
You got some dog in you I admit it
The only problem it's a lion in me
Y'all niggas lying lying welling
Irony your label love a liability though
Ain't nobody scaring me though
Niggas quite embarrassing though
Peppered and I got em in tears
Cold as cryotherapy though
I got money but no therapy though
Though some bitches I ain't bearing my soul
Honestly I may continue to struggle but all I need is C-800 and
smoke
I'm back in my fucking zone gallivanting with women that be in
vogue
I fall back and I see who been getting cold circle back when th
ey finally see who the stove
I be traveling I just be out the way
Really all of my opps is csa with all of my heart I'm yoruba
But I'm gone off that chi
I finally just got me this situation
Inshallah you'll finally see who's the greatest
Swear to god you prolly knew who the fakest
These rappers got too complacent
I don't know anime but I'm just super saying what does love got
ta do with pursuing cake
And as far as this bag been had a bag
When it come to my bag my shit is new bottega
That's as big as this bag y'all niggas basic
Fuck your aura and swag what you be saying
I got reasons to brag know I be chilling
All these niggas is crashing but don't be hitters
That's another story for another day
Niggas cutting they locks and they call day
I be feeling like ja I swear for y'all 12 on me Ferrari for hor
se play
Shoutout Murray state shoutout sweet rays
Blaze to the max I'm going skate
What is TikTok this is Scorsese this is cinema
The corns getting blazed
Welcome to the stage
