

# Insomnia

Walk Off the Earth

My mind is running too fast  
Shadows on the wall keep lurking  
I wish that you would come back, insomnia

I keep on hoping to find you  
Reaching in between the sheets  
Baby, it's only been one night  
I feel like it's been like a week  
Tossin' and turnin', tossin' and turnin'  
Flipping the pillow, pulling the curtain  
I got, I got, I got

Insomnia, ah  
'Cause I can't sleep without you  
No, I don't want to dream about you  
Wish I had my arms wrapped around you, insomnia  
Insomnia, ah  
'Cause I can't sleep without you  
No, I don't want to dream about you  
Wish I had my arms wrapped around you, insomnia
