

## My Rock

## Walk Off the Earth

I don't know what you want to know  
Living in this town, I don't -  
It won't help me grow  
Playing by the sun the sky and the waves at home  
I could tell the moon to rise so I'd be alone

Said oh oh oh oh  
I'm living how I know  
I'm living how I know  
Said oh oh oh oh  
I'm living how I know  
Living how I know  
Cha!

If time could ever stop this would be that day  
Listening to the clock as it ticks away  
I just found my rock and it's here I'll stay  
Listening to the clock as it ticks my way

I was tired from life and the pace we go  
Living in this restless town with nothing to show  
'Declare the sun the sky and the waves my home  
I could tell the moon to rise so I'd be alone

Said oh oh oh oh  
I'm living how I know  
I'm living how I know  
Said oh oh oh oh  
I'm living how I know  
I'm living how I know  
Oh oh

Living how I know  
Living how I know  
Living how I know (I know... I know... I know... I know... I know...)

Said oh oh oh oh  
I'm living how I know  
I'm living how I know  
Said oh oh oh oh  
I'm living how I know  
I'm living how I know  
Cha!

If time could ever stop this would be that day  
Listening to the clock as it ticks away  
I just found my rock and it's here I'll stay  
Listening to the clock as it ticks my way
