

Oh My My! (In Love Again)

Walk Off the Earth

Last time I was with someone it ended up in tears
Buried by my tissues on the floor
You have it for a moment then it often disappears
I see too many walk right out that door

Crossing borders for you now you're way too good to lose
Baby it ain't over till it's over, no
Rome to Rio, Puerto Rico on my way to you
I'm losing time, losing time yeah

Alright, gets me every time
Makes me lose my mind
I am scared as hell, but here we go again

I never got around to getting over you
Oh my my, oh my my
Can I love again?
When you knocked me off my feet what could I do?
Oh my my, oh my my
I'm in love again

Ba ba ba, ba da da da (love again!)
Ba ba ba, ba da da da (I'm in love again)
Ba ba ba, ba da da da (love again!)
Ba ba ba, ba da da da (I'm in love again)

Everything on television's looking pretty great
But I don't need the weather man no more
Now every day is beautiful no matter what they say
'Cause you got that summertime glow

Alright, gets me every time
Makes me lose my mind
Yeah I'm scared as hell, but here we go again

I never got around to getting over you
Oh my my, oh my my
Can I love again?
When you knocked me off my feet what could I do?
Oh my my, oh my my
I'm in love again

Ba ba ba, ba da da da (love again!)
Ba ba ba, ba da da da (I'm in love again)
Ba ba ba, ba da da da (love again!)
Ba ba ba, ba da da da (I'm in love again)

I'm in love, I'm in love, I'm in love again
And I know you're the one this time
When she knocks you off your feet what can you do?
Oh my my, oh my my
I'm in love again

Oh my my

I'm in love, I'm in love, I'm in love again
And I know you're the one this time

When you knocked me off my feet what could I do
Oh my my, oh my my
I'm in love again
