

Good With Me

Walker Hayes

Well, Pam thinks Jesus is on his way
Doug thinks she's a hoot
Rob thinks Bud Light makes you gay
Shane thinks Rob is cute
Coach thinks college athletes are making too much bank
Kim thinks COVID was a chinese prank
Buddy thinks everything I sing sucks
'Cause it don't sound like Hank
Well baby I think

Beer goes good with a lake
And a lake goes good with a dock
And a dock goes good with a fish on a hook
And a hook goes good with a country song
And a song goes good with a smile
And a smile goes good with a kiss
And a kiss goes good with you
And baby you go good with me

Well, old cousin Carl thinks we need to close the border
Carlos disagrees
Son thinks trans is short for transformers
And daughter thinks money grows on trees
Cindy thinks the government is tapping her phone
Willie thinks we oughta just all get stoned
Label thinks I'mma get canceled
Soon as I put out this song
Hope I don't but

Beer goes good with a lake
And a lake goes good with a dock
And a dock goes good with a fish on a hook
And a hook goes good with a country song
And a song goes good with a smile
And a smile goes good with a kiss
And a kiss goes good with you
And baby you go good with me

So good with me
You're my best friend
Yeah, that's my two cents

Baby I think

Beer goes good with a lake
And a lake goes good with a dock
And a dock goes good with a fish on a hook
And a hook goes good with a country song
And a song goes good with a smile
And a smile goes good with a kiss
And a kiss goes good with you
And baby you go good with me
