

# Your Girlfriend Does

Walker Hayes

Well I read what you wrote  
Underneath my video  
And I tried to let it roll off my shoulders  
But I'm a sensitive cat  
And when you diss me like that  
I get a little frost bit by your cold words

I don't know  
I guess I just hoped  
You'd think it was dope  
But nope, you wrote, and I quote  
"This song made me throw up in my mouth"  
...ouch

I get it, you don't dig it  
Hey, it's alright, cause  
Guess to the what  
Your girlfriend does  
I get it, you don't dig it  
Hey, no big deal, bro  
But for real, though  
Your girlfriend does

You know your girlfriend does  
You know your girlfriend does  
You know ya, you know ya  
You know your girlfriend does

I'm just a dude with a guitar and a loop  
Trying to raise a little roof with my music  
I don't like you but I hate  
That you don't want to shake it  
With your girl when she works out to it

I don't know  
I guess I just hoped  
You'd think it was dope  
But nope, you wrote, and I quote  
"I wouldn't buy this sh.. with Monopoly money"  
That's actually pretty funny

I get it, you don't dig it  
Hey, it's alright, cause  
Guess to the what  
Your girlfriend does  
I get it, you don't dig it  
Hey, no big deal, bro  
But for real, though  
Your girlfriend does

And so does your momma  
Just kiddin'... but not really  
I hope it grows on you and you love it  
Like she loves my Willie  
Nelson cover of "On The Road Again"  
... see what I did there, bruh?

I get it, you don't dig it  
Hey, it's alright, cause  
Guess to the what  
Your girlfriend does  
I get it, you don't dig it  
Hey, no big deal, bro  
But for real, though  
Your girlfriend does

You know your girlfriend does  
You know your girlfriend does  
You know ya, you know ya  
For real though  
You know your girlfriend does

You know your girlfriend does  
You know your girlfriend does  
You know ya, you know ya  
You know your girlfriend does
